she ordered him to draw near—"I  
 " will do you no harm," said she,  
 " I shall be your friend? my name  
 " is *Fortitude*, I am the daughter  
 " of *Resignation*.—This lion is my  
 " emblem. Keep company with  
 " me, and I will bear you out  
 " through all dangers, and put  
 " you at last into the right road;  
 " but you must pass yonder stream  
 " before you can again get sight of  
 " the Temple of *Virtue*." She  
 then led him by the hand, till he  
 came to a deep black river, into  
 which

which he plunged, and the waves  
 going over his head, seemed as if he  
 would be lost for some time.
